An RMF and purchase receipt should accompany all returns.

Cleaning and testing is included with every repair. The standard repair charge is \$40, which includes the replacement of affected normal wear parts. Additional parts charges will be incurred by the customer for:

Piston Assembly (#42900) \$16 | Cords (#49013) \$16 | Complete Electrical Controls (#40013) \$29 | Magazine Assembly (#42699) \$34

Send stapler repairs along with this RMF to:

TRAXX Corporation | 1201 E. Lexington Avenue | Pomona, CA 91766 | Attn: Tool Repair Center

Sender is responsible for all shipping costs to TRAXX. TRAXX, in turn, will cover the shipping charges back to you. For International Customers: there will be a \$50 surcharge to cover freight and duty.

NOTE: Staplers that show excessive damage or abuse will be returned without repair.
