Product Numbers:
TTX-OG0100-QT-1
TTX-OG0100-GAL-1

FEATURES & BENEFITS FOR EVERY JOB

START EVERY JOB WITH A CLEAN SLATE

- Specify one quart on every installation to help prevent callbacks caused by off-gassing odors from seaming irons, adhesives, and flooring products.
- Spray under windows, around doors, and around toilets to remove moldy and musty odors.

PROVIDE YOUR CUSTOMERS WITH THE HIGHEST LEVEL OF SERVICE

- Perform full subfloor treatments to remove even the worst pet odors.
- Spot-treat in front of dishwashers, around toilets and sinks, and anywhere moldy or musty odors are present.

BELOW-GRADE INSTALLATIONS

- Remove musty and moldy odors in basements and other wet areas.

CREATE NEW SERVICE & INSTALLATION REVENUE

- Treat existing tile floors, LVP, LVT, and grout lines to remove pet odors.
- Treat flooring and affected areas after water damage or sewer backups.

ADDITIONAL MARKETS

Assisted Living Centers
- Odor removal at the time of installation.
- Repeat maintenance services to treat ongoing odor problems.

Daycare Facilities
- Repeat maintenance services for flooring, bathrooms, and wet areas.

Auto, Camper & Boat Retailers
- Ongoing product sales for treating odor-affected trade-in models.

Multi-Family Residential Properties
- Treatment or product sales for odor problems around public restrooms, dumpsters, trash collection areas, and workout areas.

Restaurants
- Treatment or product sales for odor problems around public restrooms & dumpsters

SAFE FOR USE AROUND CHILDREN AND PETS.

GIVE YOUR CUSTOMERS A HIGHER LEVEL OF SERVICE

ODORGHOST® helps you address odor problems before they become customer complaints—while creating additional service and product opportunities other retailers don't offer.
