

MAGNUM ROW-GLIDE™

PROFESSIONAL GRADE PRODUCTS

THE INTELLIGENT TOP CUTTER

Product No.
ORX-6702

*Uses ORCON and TRAXX's
slotted blades 017 and 023*

Row Finding Ability

Nose of cutter
will guide itself as
you cut, virtually
eliminating row-
finding marks

Micro Notches

Micro notches
along underside
let you 'feel' the
cutting action as
you advance

Arched Design

Slightly arched
underside design
keeps the nose
down, maintaining
the cutting row

A MASTERPIECE IN QUALITY CRAFTSMANSHIP
