

Introducing a revolutionary non-heating carpet seaming system that's simple to use, offering faster, smarter and more profitable results. By never getting hot and never touching the adhesive, The Kool Glide® Carpet Seaming System is redefining the art of carpet installation.

- **No smoke or odor**
- **No heat distortion of carpet**
- **No dripping glue**
- **No burning – tool never gets hot**
- **No damage to carpet**
- **No time-consuming clean up**
- **Superior seams**
- **Works with all carpet backings**

And, because the Kool Glide® Carpet Seaming System is reversible minutes or years after installation, repairs and patches can be done from the top of the carpet in minutes.

Products

Kool Glide® Pro *KGX-6810*

This tool has three heat settings. It can be adjusted for use over wood, concrete and other hard surfaces, as well as in cooler environments.

Tape Guide *KGX-6260*

Aid for aligning tape under seam.

Teflon® Seaming Board *KGX-6270*

(includes Tape Guide)

Keeps hot tape from sticking to carpet pad.

Kool Stics® Seam Welding Sticks | *KGX-6560*

Specially formulated to reactivate at the same temperature as Kool Glide® tapes! Perfect for sealing with Fusion™ Carpet Welding Tip and seaming with Kool Glide®.

8 sticks per bag

Premium Tape – Coated *KGT-8568-C*

4½-inch paper with reinforcing 4-inch scrim and silicone backing.

This tape eliminates sticking to the pad but cannot be overlapped. Works on all common backings.

22-Yard (66-ft) Roll

Premium Tape – Uncoated *KGT-8568-U*

4½-inch paper with reinforcing 4-inch scrim. Recommended for most seaming. Ideal for repairs, borders, custom rugs and decorative work because the tape can be overlapped. Works on all common backings.

22-Yard (66-ft) Roll

Standard Tape – Uncoated *KGT-8558-U*

4½-inch paper with narrower scrim and less adhesive. Recommended for light to medium residential use. Ideal for repairs, borders, custom rugs and decorative work because the tape can be overlapped. Works on all common backings.

22-Yard (66-ft) Roll

Double-Stick Tape *KGT-9568*

4½-inch paper with reinforcing 4-inch scrim and silicone backing. This tape is for “direct glue” and “double glue” applications.

22-Yard (66-ft) Roll

Utility Tape *KGT-8000*

4½-inch paper with pressure-sensitive backing but no reinforcing scrim. Used for a variety of bonding applications such as backsplash, cove corners, stair treads and wood or laminate starter / end board placement.

22-Yard (66-ft) Roll

How It Works
