Drives all 5418D staples!

The **ORCON 5418** Electric Stapler combines industrial power with light weight and a narrow profile to achieve optimum performance in stair upholstery and other tight angles.

Engineered with an ergonomic fiberglass-impregnated composite housing, the **ORCON 5418** brings you tremendous impact resistance and dissipates recoil when driving staples for total user comfort.

As the age of big, bulky electric staplers has passed, the **ORCON 5418** leads the carpet and flooring industry into the future.
